

Angel Light Initiation & Healing

with Dashi Chu Kocica

*“The Angel Light Healing is a gift from Spirit
and is given freely.”*

Angel Light Healing invokes the healing Light of the Angels to purify, balance and integrate the chakras, and align our energetic bodies with higher realms of angelic consciousness. It can help us improve our health and well being, and connect us to our guides, Angels and Ascended Masters, whenever we need comfort or guidance on our spiritual path.

The evening will begin with a 20-minute guided meditation by Linda Dillon, channel for the Council of Love (www.counciloflove.com). Following the sacred initiation ceremony to receive the Angel Light, Dashi will explain how to practice Angel Light for self-healing, how to give it to family and loved ones, how to send a remote Angel Light healing, and how to use it as an “add-on” technique in conjunction with other healing modalities.

No prior experience is required. Participants are asked to wear all white clothing to receive the pure Angel Light energy (white gowns will be available).
